

## CME Programme on Newer Trends in Allergy & its Management

The Department of Oto-Rhino-Laryngology & Head and Neck Surgery organized a CME programme on Newer Trends in Allergy & its Management on the 9<sup>th</sup> of February 2013, 10:30am. The meeting was presided by Dr. K.R.Srinivasan Honourable Dean, VMMC & H, Karaikal. Retired Prof Dr. N.Rajaram, Consultant ENT Surgeon, Chennai gave an authentic & in-depth talk on the basics as well as the latest theories & management of allergy. The interactive session saw active participation from Heads of various departments, faculty members, postgraduates, house surgeons & undergraduates with a combined attendance of over 200 people.

The Dept of ENT also showcased an audio-visual presentation on the Latest trends & Developments in surgical ENT, which received huge accolades & was a definite eye opener to all who attended. A sumptuous lunch followed which drew curtains to this grand event.
